

PET POLICIES

Thank you for choosing the Bayfront Marin House for your upcoming getaway! We look forward to meeting you and your well-behaved, friendly four-legged friend.

Please note and adhere to the following policies so that you, your pet, and our other guests can all enjoy a relaxing and comfortable stay at our inn. You will be asked to sign a copy of this policy when you check in. If you have any questions about our policy prior to your arrival, please call us at 904.824.4301.

We look forward to seeing you!

HOUSE RULES FOR PET OWNERS:

A daily pet tariff of \$35 will be added to your room. Not all rooms can accommodate pets; please inform us before check-in if you will be traveling with a four-legged friend.

Dogs must be less than 75 pounds, unless previously discussed with the innkeeper. For everyone's comfort, we have a limit of 2 dogs per room.

Dogs must be well-behaved and get along with humans and other canines. They should be on a leash at all times when on Bayfront Marin House grounds.

Any damage done to rooms or other people on the premises by companion animals is the absolute responsibility of the pet's owner.

Pets that cause any disturbance (e.g.: barking, scratching), may not be left unattended. At check-in, pet owners will provide their cell phone number. If there is a disturbance while the guest is out of the room, we will call you and expect you to return to the inn within 15 minutes for the comfort of all of our guests.

If companion animals are left unattended during daily servicing hours and appear to be protective of the room, it is understood that that room will not be serviced. If your pet will be in the room alone during servicing hours, please inform the front desk. We do not want to be party to a Great Escape!

We ask if your companion animal is accustomed to lying on furniture such as beds, couches, etc., that you bring blankets or sheets to cover those areas. If you need a blanket provided, just let us know.

Pets must not be bathed in Bayfront Marin House bathtubs, Jacuzzis, or showers. Dirty and/or sandy pets may be bathed in the rear of the property using a garden hose. They must be completely dry before being returned to the room. Just ask!

Sandy and our staff spend many hours working in our gardens. Out of respect for other guests and our property, please don't forget to pick up the poop! We are happy to provide you with bags if you run out.

We reserve the right to terminate occupancy without refund if damage or disturbances or barking persists.

The pet owner assumes all liability for the behavior of the pet. Your signature below affirms that you are the pet's owner, and you agree to indemnify and hold harmless Bayfront Marin House, Historic Home Rentals, its owners and employees, from any claim, action, liability, or suit arising from any event related to or stemming from the pet's stay.

I, the undersigned, agree to the requirements listed above.
